The Mission of Philharmonia Racine

We acquaint musicians with basic repertoire. Next year, musicians everywhere will celebrate the 250th anniversary of Mozart's birth. Philharmonia Racine's role in preparing our musicians for this celebration has been to study and to perform eight of the symphonies:

July 13: Concert I Mozart Symphonies 25, 31, 32, 33 & 36

Aug 17: Concert II Mozart Symphonies 39, 40 & 41

We draw adults, graduate and undergraduate college students, and a few pre-college students from the Chicago-Milwaukee corridor. This is an educational, money-free experience. New applicants are welcome for next summer.
