

GUITAR/SONGWRITING WORKSHOP FRIDAY, NOVEMBER 18 AT GRACE CHURCH

If you play guitar or write songs this is for you:

Jim Whitaker, Nashville side man, singer/songwriter and guitar player extraordinaire will conduct a Guitar/Songwriting workshop in the Milwaukee area at Grace Church, 4800 South Calhoun Road, New Berlin, Wisconsin, on **Friday, November 18**, 2005, from **7:00 to 10:00 p.m.**

Jim is a professional, accomplished, alternate tuning, finger style Country and Bluegrass guitar player. Here is your chance to learn new licks, tricks of the trade, alternate tunings and ask questions of an honest to goodness Pro from Nashville. He will adjust the focus of the workshop to the desires of the group that appears.

He has written dozens of songs and several of his songs have made the charts in recordings by such well known artists as: Stella Parton, Jackie Cox, The Fox Brothers, Rebecca Lynn Howard and many others. His song Red Top Mountain, recorded by the Fox Brothers, a gospel group, hit number one on the Gospel Music Charts.

You can learn more about Jim at his web site at: <http://www.jwhitakermusic.com/>

The cost for this workshop is \$30 per person, payable at the door. If you plan to come, reservations are advisable. If we have more than ten people sign up for this, we will create a second group at a different time. Call or email me at the numbers below.

Jim will be performing a mini concert at the **Round Barn Jam** on **Saturday, November 19, at 7:00 p.m.** Come to the jam and if you like what you hear, and would like to attend a workshop, another workshop in the week following the jam is possible for interested individuals who were unable to come on the 18th.
